A Message from the Hammer's Director of Coaching:

I would like to first thank everyone that attended our meeting tonight at the Marriott to help discuss how we can improve the Arizona Hammers Recreation program. Based on many concerns, both in lack of communication and the disorganization that was apparent, we have made many changes. I have listed the changes that were discussed tonight.

1. Spring Season I is officially over & Season II will begin next week with practice.
2. Spring Season I families will roll into Season II with \$0 charge.
3. Spring Season II & Season I players are placed on teams and team practice will begin next week
4. Every team will have a Volunteer Coach
5. Participants from the meeting tonight, 3/10/10, were asked to help organize meetings with their teams ASAP to organize team practice.

Again, I would like to apologize for any lack of communication and dissatisfaction that you may have experienced. I would like to ensure to you that we are taking this seriously and will make this a very enjoyable experience with your help.

I have listed a new schedule that we will adhere to. If you have any questions, you may contact me directly at coachcameronsoccer@gmail.com

Sincerely

David Cameron
Arizona Hammers
Director of Coaching

Practice guidelines

-Fields may be moved each week depending on resting the grass from overuse.

-Please be friendly with size of your practice area. Competitive Coaches will work with you with spacing.

-Please put back the goals, cones, & soccer balls used.

-Irrigation & weather reports may cancel practice. Communication will be distributed via text from Hammers to Coaching staff to parents.

Game guidelines

-Each team is responsible for providing a referee and starting games on time.

-Each team must have a whistle, set of rules, and stop watch

-Each team should bring both set of shirts to each game

-If you have any questions on game day please go to the information tent. We will have schedules & rosters on site.
